SUBJECT: Verified Complaint for Preliminary
and Permanent Injunction for
Gary City Dump

Staff has reviewed the attached verified complaint for preliminary and permanent injunction and compared it with the attached copy of the memo sent from this office concerning the violations of the Recommended Amended Order, dated October 28, 1975. Also taken into account was a phone conversation on June 8, 1977, between Eric Servaas and Bruce Palin during which an update of compliance with the Recommended Amended Order was discussed. All the items under Article 7 in the complaint should have read as follows: "Defendant, City of Gary, has failed to comply with paragraphs 1, 4, 5, 7, 8, 10 and 15(a)(b)(d)(e) of the above said Agreed Order."

If you have any further questions, please feel free to contact Mr. George Oliver or Mr. Bruce Palin of the Solid Waste Management Section.
